

Cultivating learning through reflective discussion

Learning in response to change

Debriefing & understanding practice experience

Developing self & practice through reflection

Celebrate who you are and the influence you have

Aspiring to excellence aspiring to continual growth

A new approach to the Revalidation Reflective Discussion is being introduced at the Royal Devon and Exeter NHS Foundation Trust, where specialist practitioners will meet to share, explore and gain a deep appreciation of their professional experiences. This forum will provide a tool to support the development of skills and knowledge by exploring solutions to real challenges and issues faced

Flourishing through professional discussion
